

Drawing number index for bigger projects

GENERAL DRAWINGS

A-100 series: Reference plans

A-100--01	Locality plan/site plan
A-100--02	Platform & excavation plans
A-100--03.1	Structural column grid and grid plan
A-100--03.2	Beam layout plan
A-100--04	General ground floor plan (indicating blocks) with site sewer/storm water
A-100--05	Overall roof plan
A-100--06	Overall sections
A-100--07	Overall elevations

DRAWINGS BLOCK A

A-A200 series: Construction plans

A-A200--01.1	Block A: Ground floor plan (1:100 or 1:50)
A-A200--01.2	Block A: First floor plan
A-A200--01.3	Block A: Second floor plan
A-A200--02	Block A: Foundation plan
A-A200--03.1	Block A: ground floor ceiling layout plan
A-A200--03.2	Block A: first floor ceiling layout plan
A-A200--03.3	Block A: second floor ceiling layout plan
A-A200--04	Block A: detail roof plan (only if needed)

A-A300 series: Construction sections

A-A300--01	Block A: Sections
A-A300--02	Block A: Sections
A-A300--03	Block A: Sections etc (dependant on number of sections)

A-A400 series: Elevations

A-A400--01 **Block A:** North elevation, south elevation

A-A400--02 **Block A:** East elevation etc (dependant on number & size of elevations)

A-A500 series: Detail layouts 1:20

A-A500--01 **Block A:** Kitchen layout with elevations and sections where necessary

A-A500--02 **Block A:** Bathroom, store room shelving, floor tile layouts **etc** (dependant on number of pages needed for block A)

Please note: indicate all fittings applicable

A-A600 series: Construction details

A-A600--01 **Block A:** Handrails, built in benches, walkway, counters & work tops, storm water & apron, foundation, roof eaves, window sills, water proofing & parapet (1:20, 1:10, 1:5)

A-A600--02 **Block A: Etc** (dependant on number of pages needed for block A)

A-A700 series: Space planning (if applicable)

A-A700--01 **Block A:** Auditorium layout

A-A700--02 **Block A:** Waiting area layout

A-A700--03 **Block A:** Laboratory layout **etc**

A-A800 series: Schedules

A-A800--01.1 **Block A:** Specification: floors

A-A800--01.2 **Block A:** Specification: floors

A-A800--01.3 **Block A:** Specification: floors

A-A800--02.1 **Block A:** Specification: walls

A-A800--02.2 **Block A:** Specification: walls

A-A800 --02.3	Block A: Specification: walls
A-A800--03	Block A: Specification: skirting
A-A800--04	Block A: Specification: sills
A-A800--05	Block A: Specification: cornice
A-A800--06.1	Block A: Specification: ceilings
A-A800--06.2	Block A: Specification: ceilings
A-A800--06.3	Block A: Specification: ceilings
A-A800--07.1	Block A: Specification: windows
A-A800--07.2	Block A: Specification: windows
A-A800--07.3	Block A: Specification: windows
A-A800--08.1	Block A: Furniture & glazing: windows
A-A800--09.1	Block A: Specification: doors
A-A800--09.2	Block A: Specification: doors
A-A800--09.3	Block A: Specification: doors
A-A800--10.1	Block A: Furniture: doors
A-A800--10.2	Block A: Furniture: doors
A-A800--10.3	Block A: Furniture: doors etc (dependant on number of pages added for master specification)
A-A800--11.1	Block A: Sanitary ware
A-A800--11.2	Block A: Sanitary ware
A-A800--11.3	Block A: Sanitary ware etc (dependant on number of pages added for master specification)
A-A800--12.1	Block A: General specification
A-A800--12.2	Block A: General specification
A-A800--12.3	Block A: General specification etc (dependant on number of pages added for master specification)
A-A800--13.1	Block A: Room finishing schedule
A-A800--13.2	Block A: Room schedule etc (dependant on number of pages needed for block A)

- A-A800--14.1 **Block A:** Window type
- A-A800--14.2 **Block A:** Window type **etc** (dependant on number of pages needed for block A)
- A-A800--15.1 **Block A:** Window schedule
- A-A800--15.2 **Block A:** Window schedule **etc** (dependant on number of pages needed for block A)
- A-A800--16.1 **Block A:** Door type
- A-A800--16.2 **Block A:** Door type **etc** (dependant on number of pages needed for block A)
- A-A800--17.1 **Block A:** Door schedule
- A-A800--17.2 **Block A:** Door schedule **etc** (dependant on number of pages needed for block A)

Please note that bold etc items can comprise out of considerable additional separate pages

A-A900 series: Photos & 3D drawings

DRAWINGS BLOCK B

A-B200 series: Construction plans

- A-B200--01.1 **Block B:** Ground floor plan (1:100 or 1:50)
- A-B200--01.2 **Block B:** First floor plan
- A-B200—01.3 **Block B:** Second floor plan
- A-B200--02 **Block B:** Foundation plan
- A-B200--03.1 **Block B:** ground floor ceiling layout plan
- A-B200--03.2 **Block B:** first floor ceiling layout plan
- A-B200--03.3 **Block B:** second floor ceiling layout plan
- A-B200--04 **Block B:** detail roof plan (only if needed)

A-B300 series: Construction sections

- A-B300--01 **Block B:** Sections
- A-B300--02 **Block B:** Sections
- A-B300--03 **Block B:** Sections **etc** (dependant on number of sections)

A-B400 series: Elevations

- A-B400--01 **Block B:** North elevation, south elevation
- A-B400--02 **Block B:** East elevation etc (dependant on number & size of elevations)

A-B500 series: Detail layouts 1:20

- A-B500--01 **Block B:** Kitchen layout with elevations and sections where necessary
- A-B500--02 **Block B:** Bathroom, store room shelving, floor tile layouts **etc** (dependant on number of pages needed for block A)

Please note: indicate all fittings applicable

A-B600 series: Construction details

- A-B600--01 **Block B:** Handrails, built in benches, walkway, counters & work tops,
storm water & apron, foundation, roof eaves, window sills,
water proofing & parapet (1:20, 1:10, 1:5)
- A-B600--02 **Block B: Etc** (dependant on number of pages needed for block A)

A-B700 series: Space planning (if applicable)

- A-B700--01 **Block B:** Auditorium layout
- A-B700--02 **Block B:** Waiting area layout
- A-B700--03 **Block B:** Laboratory layout etc

A-B800 series: Schedules

- A-B800--01.1 **Block B:** Specification: floors **etc**
- A-B800--02.1 **Block B:** Specification: walls **etc**
- A-B800--03 **Block B:** Specification: skirting
- A-B800--04 **Block B:** Specification: sills
- A-B800--05 **Block B:** Specification: cornice
- A-B800--06.1 **Block B:** Specification: ceilings **etc**
- A-B800--07.1 **Block B:** Specification: windows **etc**
- A-B800--08.1 **Block B:** Furniture & glazing: windows
- A-B800--09.1 **Block B:** Specification: doors **etc**
- A-B800--10.1 **Block B:** Furniture: doors **etc**
- A-B800--11.1 **Block B:** Sanitary ware **etc**
- A-B800--12.1 **Block B:** General specification **etc**
- A-B800--13.1 **Block B:** Room finishing schedule **etc**
- A-B800--14.1 **Block B:** Window type **etc**
- A-B800--15.1 **Block B:** Window schedule **etc**

A-B800--16.1 **Block B:** Door type **etc**

A-B800--17.1 **Block B:** Door schedule **etc**

A-B900 series: Photos & 3D drawings

REPEAT FOR BLOCK C

A-C200 series: Construction plans

A-C200--01 **Block C:** Ground floor plan (1:100 or 1:50)

Etcetera

A-C300 series: Construction sections

A-C300--01 **Block C:** Sections

Etcetera

A-C400 series: Elevations

A-C400--01 **Block C:** North elevation, south elevation

Etcetera

A-C500 series: Detail layouts 1:20

A-C500--01 **Block C:** Kitchen layout with elevations and sections where necessary

Etcetera

A-C600 series: Construction details

A-C600--01 **Block C:** Handrails, built in benches, walkway, counters & work tops,

Etcetera

A-C700 series: Space planning (if applicable)

A-C700--01 **Block C:** Auditorium layout

Etcetera

A-C800 series: Schedules

A-C800--01.1 **Block C:** Finishing schedule: floors **etc**

Etcetera

Repeat for blocks D, E etc and lastly own numbering for auxiliary buildings

Auxiliary buildings can be guard house, gymnasium, stores and other outbuildings

A-C900 series: Photos & 3D drawings
